Beta-Theta Connection

Fall 2019

Growth and Achievement

Good Morning Fraters

The title says it all; Fall 2019 looks to set a new standard of excellence in membership growth and high-quality performance across nearly every metric.

Recruitment

Once again, I am happy to share with you all the reasons you should be proud of your Tau Kappa Epsilon chapter at the University of Missouri. Now one year into our move to Greentown, recruitment chair Scott Mcknight and his committee helped us induct an incredible 43 potential new members last month. The Alpha-Gamma pledge class is the future of the chapter and each potential new member possesses the qualities to represent TKE both on and off campus. As a

chapter, we look forward to watching them grow into fraters in the bond just as they look forward to obtaining a stronger connection with our members and you, our alumni.

Homecoming

In addition to this pledge class, our Homecoming pairing has been working diligently to win 1st place this year. After our second-place showing last year, the women of Kappa Kappa Gamma sought us out to win the show in 2019. As the only fraternity in the pairing, the weight of success rests squarely on our shoulders, but Tom Lorish, Matt Eblen, and Ian Martin have faced the challenge. If you see them this week, be sure to thank them for their work as we wait for announcements on Sunday.

Speaking of Homecoming, the game is this Saturday, October 12th, and it is a great time to connect with your chapter and see how much has changed at Mizzou. I encourage you to come by and visit the house before the game on Saturday. We will be hosting a joint tailgate with Alpha Gamma Sigma and Theta Chi between their house starting at 3:30 pm. If you would like to come, we will have wristbands for you. Whether or not you want to stay for the tailgate, please come to the house at 12pm on Saturday to see some of our members and hear from our President Alec Vanbuskirk. We will have water and light snacks and will walk to the tailgate as a group to follow.

Thank you

Your continued support allows your TKE chapter to see the growth and success uncommon these days for most fraternities but the status quo for Beta-Theta. Strong leadership from our alumni and executive board is essential for a sustainable chapter so I would like to thank you for keeping your brothers in mind.

If you would like to hear more about the recent success of the chapter or our plans for the future, I am always happy to share!

Yours in the Bond

Thomas Geisinger
